Recommendation: Approve the adoption and implementation of the **Wayfinder SEL program** across Jackson Public Schools, integrated within the district's MTSS framework, to provide consistent, tiered social-emotional and behavioral supports for all scholars.

Rationale/Justification: Wayfinder directly supports the district's strategic priorities by embedding social-emotional learning into daily instruction and interventions. By strengthening skills such as self-awareness, self-management, and responsible decision-making, the program improves student engagement and academic outcomes.

Through MTSS, JPS will ensure equitable access to support by:

· Providing Tier 1 universal SEL instruction for all scholars

· Delivering Tier 2 targeted interventions based on discipline, attendance, and referral data

· Implementing Tier 3 individualized support for scholars with significant needs
