The Governing Board believes that providing clear communications to staff is essential to establishing a professional, positive work environment and enhancing job performance. The Superintendent or designee shall provide district employees all notifications required by law and any other notifications the Superintendent or designee believes will promote staff knowledge of the district's policies, programs, activities, and operations.

When required by law, Board policy, or administrative regulation, district employees shall be asked to sign an acknowledgment indicating receipt of the notification. Such acknowledgments shall be retained in each employee's personnel file.

Policy Reference Disclaimer:

These references are not intended to be part of the policy itself, nor do they indicate the basis or authority for the Governing Board to enact this policy. Instead, they are provided as additional resources for those interested in the subject matter of the policy.
