

*Welcome to Mrs. Szczypiorski's
2026-2027 3rd Grade Classroom*

Dear 3rd Grader ,

I am so excited that you are going to be in my class this year! We are going to have a **BLAST** with our new 3rd grade family! In our classroom family we will **RESPECT** everyone and have **FUN** while we learn! We will have a chance to learn a lot of exciting things about each other this year.

This summer, our family went to Ocean City, NJ for vacation! It is our favorite place to be and we enjoyed every amazing day at the Jersey shore! My husband Kevin and I have three wonderful children. Their names are Matthew (27), Ryan (23), and Katie (18). They are so much fun and they make me laugh. Matthew and Ryan always tell silly jokes. They are **HUGE** sports fans (like me) and we love to watch our Philly teams in action! Matt lives in Connecticut and works for ESPN. Ryan is hilarious and always makes us laugh. He is so creative and has an **AWESOME** imagination! He is starting graduate school at **TEMPLE UNIVERSITY**. His major is Education! He wants to be a high school history teacher! Katie is starting college this year and she will be attending Lock Haven University! She wants to be a teacher too! She is going to play field hockey at Lock Haven as well. I am so excited to watch her play the sport she has loved for years!

There are so many interesting journeys we will go on together this year in our learning. For example, in Science we will learn about Lifecycles and Motion in our new science curriculum, Mystery Science! In Social Studies, we will study immigration and celebrate the many different cultures within our classroom family! We will also study Economics and learn the value of earning and spending our own money! We will continue with our super cool Math in Focus program in Math! In Reading, we will learn about Heroes and Extreme Environments, just to name a few exciting Units of study!

Practice your addition and subtraction facts and to read everyday over the summer! year. Keep a journal of all the **FABULOUS** things you do with family and friends! If you keep a journal, bring it to school the first day so that you can share it with your new classmates.

I can't wait to get to know you over our 3rd grade school year! Have a **wonderful summer** with your family and friends!!!

Fondly,
Mrs. Szczypiorski

Dear C~103 Families,

I am pleased to introduce myself to you as your son/daughter's 3rd grade teacher for the 2026-2027 school year! I am thrilled to say that I am entering my 31st year of teaching. I **LOVE** teaching 3rd grade! This is a pivotal year for your child and I am glad to be such a big part of it! I look forward to sharing more about myself with you at our **Back to School Night**.

I have included some important 3rd grade information and our 3rd Grade Curriculum Focus! Please review them carefully and if you have any questions, I will be happy to address them! Have a **WONDERFUL** summer! I look forward to working with you this year and watching your child grow!

Fondly,
Mrs. Krista Szczypiorski

Third Grade Supply List

2026-2027

Please put your child's **first and last name** on all supplies! Please bring all the supplies with you on the first day of school! Extra materials such as pencils can be kept at school!

2 black and white marble, **RULED**, composition notebooks

1 old sock (Please do not purchase erasers. They are too big for the student tool boxes in their desks. The sock is to be used as an eraser with dry erase boards.)

Pair of headphones or earbuds (earbuds fit nicely in laptop bags)

1 mouse to be used with laptop computer

1 handheld sharpener

6 two-pocket folders in the following colors:

blue, red, yellow, purple, green, and orange

Please buy the **plastic, sturdy folders** so they last the entire year.

1 container of Clorox or Lysol wipes

1 box of tissues

1 roll of paper towels (boys)

1 box of sandwich bags (girls)

If you could take all items out of the package prior to the first day of school, that would be appreciated! A basket will be provided for your child to hold their desk materials!

Thank you!
