

MRS. FIRELY'S CLASS

hello

Welcome!

My name is Mrs. Firely, and I will be your child's Learning Support teacher and case manager for the upcoming school year.

A little about me—I am starting my 24th year in education and my 7th year at Butler. Before joining Butler, I spent 10 years teaching learning support at Mill Creek and 8 years teaching high school learning support in the Wissahickon School District. This summer, I enjoyed spending a lot of time on Long Beach Island, NJ with my family, relaxing and making lasting memories together.

My daughter, Ava, a 2025 graduate of CB East, will be entering her sophomore year at the University of South Carolina, where she is studying elementary education—so we'll have another teacher in the family! We also have two rescue dogs, Hope and Cooper, who bring lots of energy and joy to our home.

In my classroom, my goal is for every student to learn to the best of their ability while enjoying the process. I strive to create a safe, supportive environment where students feel comfortable taking risks and growing as learners. I focus on identifying each child's strengths and using them to help build skills and confidence in all areas.

I look forward to working together and collaborating with you throughout the school year. Please feel free to share this letter with your child.

Warmly,
Mrs. Firely
