

MEET THE TEACHER

● Mrs. Grant ●

Welcome!

I hope your family had a wonderful summer filled with relaxation, fun, and new memories. My name is Kasey Grant, and I will be your child's special education teacher for the 26-27 school year. I am so excited to welcome back some students and get the chance to work with new faces as well!

This will be my sixth-year teaching at Butler and my eighth in the district. I hold a bachelor's degree in early childhood and special education from Bloomsburg University and a master's degree in literacy from Wilkes University!

For the first few weeks of school, most students will remain with their homeroom classes for community building activities. I will be sure to come around to introduce myself, provide breaks, and check-in with the students on my caseload!

I look forward to working with your family this school year. Please always feel free to reach out with any questions or concerns!

About me!

I live in Warrington with my husband, Chris, and my son, Lochlan. Lochlan will be 2 in October and loves sports, trucks, and getting into everything! In my free time, I love to read, go shopping, watch movies, golf, and spend time with my friends and family.
