

Dear Families,

Welcome back to school! I hope you had a relaxing and enjoyable summer. I am excited to begin a new school year and look forward to meeting and working with your children and families.

My name is Mrs. Kimberly Sisca, and I will be providing Learning Support services to your child this year. I truly value parent involvement and believe that strong communication and collaboration between home and school are essential to student success. I look forward to partnering with you throughout the year.

A little bit about me: my husband and I are both natives to the area and proud CB graduates ourselves. We have three wonderful children. It's a balancing act with all of the activities and schedules that come with raising three children, so our weekends are always busy and full of excitement! 😊

As your child's case manager, I will be coordinating your child's annual IEP meeting, where we will discuss progress, review goals, and address any questions or concerns you may have. Please know that communication is always welcome, and I encourage you to reach out throughout the year regarding your child's IEP goals, progress, or any support they may need.

During the first week of school, students will participate in team-building activities with their homeroom classes. I will be joining these activities as an opportunity to get to know your child and help them feel comfortable and supported as we begin the year together. This is always such a fun and exciting way to start the school year!

I am so excited to begin the school year and look forward to a wonderful school year filled with growth, learning, and success for all students.

Warm regards,

Mrs. Kimberly Sisca
