School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Clearview Elementary School (CVES) will provide opportunities to improve parent and family engagement to support student learning. CVES values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that CVES will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

CVES will invite all families to attend our annual School Improvement Forum to review and revise this parent and family engagement policy, the school improvement plan/schoolwide plan, and the parental involvement budget.

Additionally, parent input and comments regarding this plan are welcome during the school year through a form available in the Parent Resource Area. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. CVES will provide fun opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook that can be found on the Clearview school website. The plan is also housed in the Parent Resource Area as well.

School-Parent Compacts

As part of this plan, CVES and our families will develop school-parent compacts by grade level. These are agreements that parents, teachers, and students will develop that explain how all parties will work together to make sure all our students reach grade-level standards and goals. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the beginning of each school year. Parents will receive a copy of the compact to keep at home. Compacts will be reviewed with parents during the year as well.

Parent & Family Engagement

CVES believes that parent & family engagement is important. This means the participation of parents is a regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

CVES is committed to helping our parents attend the parental activities listed in this plan. Please call or email us if you miss a meeting and would like a copy of the minutes.

- Share information in grade level newsletters and on the website for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators
