

School Parent Compact 2026-2027

We know that learning can take place only when there is a combination of effort, interest, and motivation. Our shared commitment to Whitt Fine Arts Academy drives us to actively participate in student achievement opportunities to foster success.

This agreement is a commitment to work together to improve learning.

As a student, I agree to:

Finish and turn in my assignments on time.

Be prepared for class by bringing the necessary materials and being ready to learn each day.

Attend school every day to maintain consistent learning and progress throughout the year, unless I am sick.

Put forth my best effort every day and share my achievements with my parents.

Participate actively in class discussions and activities to contribute to my learning and the learning of others

Engage in positive behaviors that allow me, and others, to follow the school and classroom rules so that everybody can learn and be safe.

Take responsibility for my actions and learning by asking for help when needed and working through challenges.

Set goals for myself to improve my skills and track my progress throughout the year..

Show perseverance and a positive attitude even when tasks are challenging or difficult

Make sure my parents receive any important notes or messages from my teacher.

As a parent, I agree to:

Discuss my child's school activities and experiences with them daily.

Stay informed about my child's progress by attending or scheduling parent-teacher conferences.

Encourage and support positive study habits at home.

Reinforce and celebrate positive behavior at school.

Participate and attend school activities, including after school.

Monitor and ensure my child's regular school attendance.

Contact my child's teacher, school social worker, or administration if I have any concerns.

Ensure my child maintains a healthy diet with nutritious foods and gets adequate sleep each night to support their physical and academic well-being.

Be a role model for lifelong learning by showing my child that education is important and that I am also committed to learning and growing.

As a teacher, I agree to:

Create engaging and meaningful learning experiences that promote student growth.

Contribute to fostering a positive self-image and confidence in all students.

Regularly communicate with parents about student progress and any concerns.

Identify and implement effective teaching strategies and materials to support each student's needs.

Collaborate, communicate, and support parents to enhance the learning experience.

Participate in school activities to strengthen school-community relationships.

Clearly communicate my approach to homework and its role in student learning.

Uphold high academic standards and strive for excellence in all areas of instruction.

Maintain professionalism in all interactions with students, parents, and colleagues.

As an administrator, I agree to:

Provide support and instructional direction to both student and parent.

Ensure a safe, healthy, and conducive environment for teaching and learning for both students and staff.

Advocate for the needs of students and staff by securing resources and opportunities that contribute to their success.

Uphold and promote high academic standards across the school community.

Foster strong partnerships between school and home to enhance student learning and overall well being.

Cultivate a collaborative, supportive, and collegial school environment.

Monitor and evaluate school programs to ensure continuous improvement and alignment with the school's mission and goals.

Encourage and support professional development opportunities that align with best practices in education.

Maintain the highest level of professionalism in all aspects of

Most importantly, we promise to help each other carry out this agreement.
