Student Spotlight: South Oak Cliff P-TECH Class of 2028

Our 10th grade Sports Management scholars were the first to launch a field trip on September 30, 2025 with the UT Southwestern STARS Program and they crushed it! From learning about sports-related knee injuries with Dr. Paula Hernandez, to hands-on physical therapy demos with Michael Marnolejo, and practicing sutures in the lab with Debby Noble, our students showed professionalism and curiosity every step of the way. Huge thanks to Bibiana Mendez for hosting and Maximiliano Regalado for making it happen.

We extend our heartfelt thanks to the PepsiCo and the Mosaic Team for taking the time to present to our P-TECH scholars. Your energy, insights, and commitment to preparing our students for success in Internships and the Mentorship program were truly inspiring. You've helped set the tone for a year full of growth, learning, and meaningful connections.
We're excited for what's ahead and look forward to a fantastic year together!

We're incredibly grateful to Mr. Scott Wilson for joining us as our guest speaker at the SOC JKL event this September! His energy, insight, and generosity made a huge impact on our students and community.

Thank you for sharing your time and your story with us. You made a lasting impression, and we're proud to have had you as part of our South Oak Cliff journey!
