SOC P-TECH proudly welcomes the Just Keep Livin Foundation to campus!

We're excited to sponsor this impactful afterschool program focused on health, wellness, positive decision-making, and community service—values that align perfectly with our mission to support student growth.

Special thanks to our on-campus sponsors, Mrs. King (P-TECH) and Ms. McIntosh (Coaching Assistant), and to our partners at United Way. We also appreciate the meaningful sit-down with Shannon Wilson (JKL) and sponsor Scott Wilson. Student sessions are held Mondays and Wednesdays after school—let the journey begin!
