

Rochester Community Schools

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?
2,564,578.00
2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.
31a funds are allocated to buildings based on academic need, with Title 1 eligible buildings ranked first. Summative data is reviewed to determine the next ranking of buildings to receive support. Data includes achievement, attendance and number of 31a eligible students at the building.
3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?
K-12 interventionists in the area of literacy and math
District coaches supporting teachers in all content areas
Summer programs for students at risk of falling behind
4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?
Parents and caregivers provide feedback through face to face meetings, surveys, and the Talk to Us feature on our website.
5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.
Parents and caregivers may use in person meetings or electronically communicate feedback toward the use of these funds.
