

Nutrition: Game On!

This school year, we are launching the new Chartwells program, Nutrition: Game On, at all of our AAPS elementary schools.

This program includes a whole new set of characters, monthly themed recipes, interactive educational events, and a gameboard to track our progress through each theme month hanging up every cafeteria!

Expect to hear more about this new program as the school year starts and we begin to introduce our characters, like Dani & Leo. Here is a look at the characters and what their motto will be throughout the year!

Here is a look at all of our characters that we are so excited for everyone to meet!

Leo: I connect the team!

Dani: Mission's On! I'm ready to roll.

Hailey Harvest: Want to know where real food grows?

Mei Market: I help you shop, learn, and explore!

Clara Curious: I love to ask "why?" and explore.

Chef Sizzle: Chef makes magic everyday!

Max Motion: Good food gives me power and pace!
