

Bilton School Sixth Form

Computer Science – Transition Work

To prepare effectively for Computer Science you must work through the below tasks and bring these with you for your first day at Bilton Sixth form.

Create a two-page website about a topic of your choosing.

The website must: Contain all tags on the next page.

Link the two pages together.

Have an external stylesheet that applies colour and font modifications.

If you need help with this, try: <https://www.w3schools.com/html/default.asp>

Summer Project – HTML and CSS

HTML tags:

`<p> </p>`

`<b> </b>`

`<u> </u>`

``

`<a href="LINK GOES HERE">Click here</a>`

`<h1></h1>`

`<ol> <ul> <li>`

Link an external stylesheet to your HTML page:

`h1{color:blue}`

`p{font-family: "Times new roman"}`

`Body{background-color:green}`

You can use any IDE you want

If you do not have access to an IDE like Dreamweaver, you can use Notepad to do this.

If you have any queries about the subject or the tasks.

Please contact: Subject Leader – pinnegar.s@bil.svmat.uk
