Newmark Education Parent Alert

July 7, 2026

New! Last Day of ESY - Mon, July 27, 2026

Dear Newmark School and Newmark High School Families,

As our Extended School Year (ESY) program begins, we want to thank you for your continued partnership and support. We are looking forward to a wonderful summer filled with learning, growth, friendships and memorable experiences for our students.

Due to the weather-related school closure on Monday we are required to make up that instructional day in order to meet our contractual obligations with our sending school districts. As a result, **the final day of ESY will be Monday, July 27, 2026**, and it will be a **half-day session** for all students.

Our staff is already planning a fun and memorable final day to celebrate a successful ESY. Students can look forward to special activities, time with classmates and staff and a positive send-off as we wrap up another great summer together.

Dismissal Times – Monday, July 27, 2026

- **Newmark High School:** 12:20 PM
- **The Newmark School:** 12:45 PM

Transportation will be coordinated with your child's sending district for the revised schedule.

Thank you for your flexibility and understanding as we adjusted our schedule for the unexpected power outage caused by severe weather. We appreciate your partnership and look forward to finishing ESY on a high note with our students.

We wish you and your family a wonderful remainder of the summer!

Sincerely,

Gina M. Borea, Principal
