SUPERINTENDENT'S MESSAGE

Wishing all of you a wonderful summer!

I hope that our Flushing Community School families are enjoying these first few weeks of summer and that you have already found ways to rest up, recharge, and appreciate a more relaxing pace now that school is out. While we are only a few weeks into summer, construction crews are fast at work throughout the district. At the elementary buildings, 27 new entryway door systems have just been completed, and work continues on our generators, walk-in coolers, and HVAC projects for the gyms and cafeterias. These all are scheduled to be completed this summer. Progress is being made on our high school roofing and HVAC projects, and they are on pace to be completed this summer as well. Our high school stadium and softball/ baseball projects will continue through the summer and throughout next school year. We are on schedule to open both the softball and baseball fields next spring, with the stadium set to open at the beginning of the 2027-2028 school year.

Most of our buildings are still bustling with activity due to our summer school programs, strength and conditioning training for 7th-12th graders, ongoing athletics, drivers training, Concerts in the Park, and other extra-curricular activities. It has been wonderful to see so many of our students making the most of the opportunities and remaining engaged in the activities that they truly enjoy this summer. I especially enjoyed seeing so many 3rd - 8th grade students participating in the third annual Raider Nation Sports Camp. The student-athletes were very excited to learn to play or sharpen their skills in three different sports every day, and parents report that these kids have never slept better! Special thanks to our Athletic Director Shawn Andrews for her vision, tireless work, and passion to make it happen. We couldn't have done it without our incredible coaches, trainer Michaela Luchow, and over 80 Varsity athletes that volunteered their time to coach our younger Flushing Raider student-athletes. I think our high school student-athletes might have had more fun than our campers did! It was the perfect way to start

Matt Shanafelt

summer for so many.

It's our hope that students spend time this summer exploring things that they are interested in, maybe getting a summer job, going to their favorite ice cream shop downtown, reading a book just for fun, riding their bikes, or just spending extra time with friends and family. Summer is a great time to put down our phones and enjoy being outside. While the schedule, structure, accountability, support, and ongoing learning that the school year provides is so important, a little additional downtime over summer break is incredibly beneficial. This allows everyone the opportunity to take a deep breath and reset before diving into the 2026-2027 school year. No matter how the days are spent, I hope this summer is relaxing and fun-filled, knowing that the start of another great school year is a very short two months away.

Is anyone out there looking for a job this upcoming fall? If so, please take a look at our job postings page on the district website. While we have filled a number of positions already, we are still looking to add a couple special education teachers, bus drivers, and custodians to our Flushing Raider work family. If you have a passion and a heart for working with students, Flushing Community Schools is a wonderful place to work!

We have greatly appreciated your ongoing support this school year and look forward to wonderful things during the 2026-2027 school year. While there is plenty of fun to be had this summer, we look forward to seeing all of you at the Raider Rally, held at Raider Field (behind Central Elementary) on Tuesday, August 18th from 6:00-8:00 pm. Open Houses for 1st-12th grade students will be held on Wednesday, August 19th. We can't wait to welcome all of our students back to school for their first day of school on Monday, August 24, 2026. Our 2026-2027 School Calendar is now posted on our school website, for your reference. Thank you for being such a huge part of our very proud Raider family, and we wish you all the best this summer.

Go Raiders!

COMMUNITY BREAKFAST

At this year's Community Breakfast, we had the pleasure of recognizing the Lorna A. Welch Scholarship Charitable Foundation. Thank you to Jim Woods from Edward Jones for accepting the award on behalf of the Foundation and sharing its incredible investment and impact on our students and education.

SPORTS CAMP 2026

It was a wonderful week at Raider Nation Sports Camp 2026! Thank you to Flushing High School athletes and coaches for guiding our future Raiders. Exciting things are ahead!

TRANSPORTATION VARIANCE 2026-2027

When transportation is provided by a school district, State of Michigan Law concerning the transportation of students requires that all students be transported to and from their home address unless a special "Request for Transportation Variance" is completed by a parent/guardian and is granted by the school administration. This request is for any extended length of time in excess of one day. It is not intended to be used to facilitate a single day situation. Variances are not valid from year to year.

A new variance must be completed each school year. Every variance will be determined by each circumstance. **VARIANCES ARE SUBJECT TO BEING DENIED.**

If your child needs to be transported to an address other than

their official district residence you must submit a "2026-2027 Transportation Variance" form. Only one (1) additional address other than their home address will be accepted. A Flushing residence address within the school district must be provided. Street corners and business addresses will not be accepted.

In order for your request to be approved and in effect on the first day of school, please submit the "2026-2027 Request for Transportation Variance" by Thursday, August 6th. Please turn it in to the Transportation Office.

****We encourage you to turn in the variance as soon as possible. Variances are accepted throughout the summer.**

For more information please visit: flushingschools.org.

EARLY CHILDHOOD CENTER

HAPPY SUMMER! IT HAS BEEN AN INCREDIBLE YEAR OF LEARNING AND MAKING NEW FRIENDS!

CELEBRATING WITH SLIME

ECC students celebrated the year by sliming staff members. The PTO sponsored event provided laughter and smiles for all. Mrs. Chaney (lab manager and librarian), Mr. Noah (custodian), Mrs. Donaldson (principal), Ms. Katelyn (secretary), and Mrs. Thuma (School-Home Coordinator) took one for the team as they allowed numerous students to dump slime on them.

HONORING IMPORTANT VALUES

Each trimester, students who have been safe, respectful, and responsible are announced each month, along with the safety sergeant. Thank you to Cops and Robbers and Flushing A for their partnership.

READ, RETURN, REPEAT!

Every time a classroom returned all of their books to the library for the year, Ms. Ann planned a sand art party to congratulate them. It was a positive incentive for the entire building.

SPRING EVENTS

It was an incredible time at the end of year bash, step-up day (students rode the bus to visit the elementary they will attend), senior walk-through, book buffet and Science Alive. Thank you to all the families, ECC PTO, Flushing High School Volunteers, Donaldson & Sons Inc., Aldridge Trucking, Flushing Firefighters, and Haywire Event Rental. These experiences would not be possible without the community support!

REGISTER NOW FOR NEXT YEAR

If you or someone you know has a 2026-2027 Preschool, Developmental Kindergarten, or Kindergarten student joining us next year, please register now. After your submitted registration is processed you will receive an email from Ms. Katelyn Torrey with instructions on how to sign-up for a round-up appointment on August 5th. We look forward to meeting our newest Jr. Raiders!

HAVE A GREAT SUMMER!

From the ECC family to yours, we wish you a fantastic summer, filled with friends, family, and fun! Enjoy the sunshine! "It's a Good Day, to have a Good Day!"

PRESCHOOL NEWS

Preschool students enjoyed the end of the school year with a Luau Bash, outdoor play and snack with friends, shaving cream adventures, field trip to the children's museum, butterfly science, and lots of imaginative creations. We wished Mrs. Cox a happy retirement with a building clap out. Preschool staff and students had an incredible school year and are ready to experience summer fun with family and friends!

ELEMENTARY NEWS

CENTRAL ELEMENTARY

MILLION WORD READING CHALLENGE

Central 5th and 6th grade students were challenged at the beginning of the year to track their reading progress and make reading a daily habit. Along the way, students earned fun incentives at different checkpoints, including Slurpees, a walk to the public library, and trophies for those who completed the challenge.

Six students finished the entire challenge and achieved an incredible milestone—reading more than **one million words** over the course of the school year! Their dedication, perseverance, and love of reading are truly worth celebrating.

STUDENT-ATHLETE LEADERSHIP CLUB

Central's 5th and 6th grade students have been taking part in the Student-Athlete Leadership Club, an after-school opportunity designed to help students grow both as athletes and leaders. The club gives students the chance to play PE games and sports in a more competitive setting while learning important skills that will support them as they continue their athletic journeys.

Each week, students participate in a short leadership lesson focused on topics such as the importance of academics, time management, organization, leadership, teamwork, and good sportsmanship. The lessons are followed by opportunities to compete, collaborate, and build skills through a variety of games and activities.

The club recently enjoyed a special outing to a Flint City Bucks soccer game, where students cheered on the team during an exciting 2–1 Bucks victory! After the game, students had the memorable opportunity to go onto the field and meet the players.

A special thank you to Miss Waier for sponsoring the Student-Athlete Leadership Club and organizing this experience for our students. Her dedication provides Central students with meaningful opportunities to develop confidence, character, and leadership skills both on and off the field.

SEYMOUR ELEMENTARY

MOTHER/SON NERF WARS

Thank you to Seymour's PTO for hosting Mother/Son Nerf Wars. It was a great night of laughs and friendly competition!

COSMIC CATCHER CLAW MACHINE

Lukas Knific, 3rd grade student in Mrs. Potzmann's class, designed and built a Cosmic Catcher claw machine which he then donated to Seymour for student to enjoy!

ELEMENTARY NEWS

ELMS ELEMENTARY

6TH GRADE CAMP

Sixth Grade Camp is a long standing tradition across all of our elementary buildings. Elms 6th grade students had the opportunity to attend Covenant Hills Camp & Retreat for the second year in a row. The camp staff organizes the activities for each participant, making it an enjoyable and memorable experience for the students. Thank you to our 6th grade teachers Mrs. Marshall, Ms. Craft, and Mrs. McDonald for organizing camp for these deserving students.

SPRINGVIEW ELEMENTARY

END OF THE YEAR FUN

Thank you to the PTO and volunteers for helping make the end of the school year so memorable for students.

Throughout May and into June, students participated in a variety of exciting activities and experiences. Many classes enjoyed educational field trips to destinations such as the Saginaw Children's Zoo, the Farm in Frankenmuth, and Covenant Hills. These experiences provided students with opportunities to learn, explore, and create lasting memories with their classmates.

Sixth grade students prepared for their transition to middle school with the annual Sixth Grade Breakfast, Sixth Grade Celebration, and the beloved Sixth Grade Walk-Through on the last day of school. We are incredibly proud of our sixth graders and all they have accomplished during their time at Springview. We wish them continued success and know they will go on to do amazing things in the years ahead.

PROMOTING POSITIVE SCHOOL CULTURE

Springview's Positive School Culture (PPSC) Team worked diligently throughout the year to recognize and celebrate students who demonstrated our core values: **Be Safe, Be Respectful, and Be Responsible.**

Thanks to the positive choices made by students, 98.7% of students were recognized for positive behavior this year.

Three students from each classroom had their Raider Tickets drawn for the opportunity to "pie" a staff member during the final Raider Rewards Assembly. This exciting incentive quickly became a student favorite and

brought plenty of laughter and smiles to Springview.

Students and staff continue to build a positive culture together each day. Thank you to Springview's PPSC Team for their hard work and dedication in creating meaningful opportunities to recognize student success and encourage positive choices throughout the year.

It was another fantastic year at Springview and we wish students and families a safe, relaxing, and enjoyable summer!

LEMONADE WITH LOVED ONES

Thank you to all of the families who joined the Lemonade with Loved Ones event! Students enjoyed cookies and lemonade while spending time with the important people in their lives.

The beautiful weather made the event even more special as families gathered on the playground, took photos, and enjoyed quality time together. Events like

these help strengthen the connection between home and school, while creating meaningful memories for students and their loved ones.

MIDDLE SCHOOL NEWS

TRIP TO D.C.

Flushing Middle School 8th grade students had a wonderful time in Washington, D.C. Four students had the honor of participating in the Wreath Laying Ceremony at the Tomb of the Unknown Soldier.

A WELL-DESERVED BREAK

Students and teachers enjoyed the sunshine after the conclusion of exams. Students were able to say goodbye to friends and sign yearbooks before heading home for a well-deserved summer break!"

HIGH SCHOOL NEWS

SUMMER SCHOOL OPPORTUNITY 2026

Summer School through Raider Virtual Academy (RVA) provides students with the opportunity to recover credits needed for graduation or strengthen skills in previously completed courses. All classes are offered online through the Edgenuity curriculum, allowing students to work at their own pace from home or in the Summer School lab, which is available in the Flushing High School Library on Tuesdays, Wednesdays, and Thursdays from 8:30–11:30 a.m. for additional support.

The cost is \$100 per course, with a maximum of two courses per student. Summer School is currently in session and will run through July 30th, with all final exams required to be completed in person at Flushing High School on or before July 30th.

For questions or additional information, please contact Adam Smith at adam.smith@flushingschools.org.

PROJECT SEARCH

Flushing Community Schools and Project SEARCH, a nonprofit for young adults with disabilities, will bring on its first class of interns at Meijer in Swartz Creek this fall! This program aims to give real-world job experience to students with special needs.

Interns are placed across multiple departments, including Bakery, Grocery, Produce, Meat, General Merchandise, and Utilities. Looking ahead, the program plans to support interns in applying for jobs earlier in the year, helping them transition more smoothly into the workforce. We are excited for this partnership!

The FHS Honor Roll students have earned a 3.0 GPA or higher for the 2nd semester of the 2025-2026 school year. Students with a single asterisk have earned a 4.0 GPA. Students with a double asterisk have earned above a 4.0 GPA. We are proud of all our students, however we recognize the extra effort it takes to earn a place on the Honor Roll. Congratulations! If you have any questions about honor roll status, please contact your child's building principal.

**THE
2025- 2026
SCHOOL
YEAR WAS
AMAZING!**
Here are some
highlights.

FIELD DAY

Thank you to the PTO/PTA committees, staff, and FHS volunteers who created an opportunity for great memories to be made at this year's Field Days held at each elementary building. After a year of hard work, students enjoyed a day of fun in the sun.
