Dear Parent or Guardian:

Our district is required to inform you of information that you, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know. Upon your request, our district is required to provide you in a timely manner the following information:

*Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

*Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.

*Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.

*Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that parents may request, a building receiving Title 1.A funds must provide to each individual parent:

*Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title 1.A.

*Information regarding State or LEA policy regarding student participation in any assessment required under ESEA section 111(b)(2) and by State or LEA, including a policy, procedure, or parental right to opt the child out of such assessment, where applicable.

*Timely notice that your student has been assigned or has been taught for four or more consecutive weeks by a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

Thank you,

Ava R-1 Schools
