- We will utilize community supplies for classroom art supplies including markers, crayons, and colored pencils, due to our shared classroom structure and the challenge of students storing and transporting these across the classroom spaces. We have a significant supply remaining in storage for next school year, so students will not need to purchase or bring those items. We are also well-stocked with pencils and will be able to supply all the students with what they need.
-
- Throughout the school year, we may reach out to ask for donations to classroom supplies, including for our PEGS Points Incentive Store.
