THE DISCOVERY SCHOOL at Bellwood

TABLE OF CONTENTS

- Welcome Message
- About the School and Admission
- Attendance Requirements
- Academic Information
- Code of Conduct Information
- Clubs and Activities
- School Nutrition
- Student Property
- Frequently Asked Questions

This handbook is created specifically for parents of Discovery School. While some MCS policies are included, families should also review the District's Parent Handbook and Board policies and procedures, which are available online at cityschools.net.

Murfreesboro City Schools is committed to providing an environment free from discrimination and does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, creed, pregnancy, genetic information, veteran status, or any other basis protected by applicable law in its programs, services, activities, or employment. For purposes of District policies and procedures, references to sex or gender are defined consistent with Tennessee law. MCS also provides equal access to the Boy Scouts and other designated youth groups.

WELCOME MESSAGE

Dr. Caitlin Bullard

School Principal

caitlin.bullard@cityschools.net

Welcome to Discovery School! It is an honor to continue serving as principal of this exceptional school community. Over the past three years, I have been grateful to work alongside our students, families, and staff to build on Discovery's proud tradition of excellence, curiosity, and meaningful learning. My career in education has included serving as a teacher, instructional coach, principal, and school district administrator. I am thankful to be part of the Explorer family and look forward to another wonderful school year together.

Jessica Snell

Assistant Principal

jessica.snell@cityschools.net

Welcome, Discovery families! I am proud to serve as Assistant Principal of a school community filled with outstanding students, dedicated staff, and supportive families. As a lifelong Murfreesboro resident and educator, I am grateful to give back to the community that shaped me. I am committed to helping create a positive, safe, and engaging environment where every student can grow and succeed. I look forward to a **REMARKABLE** year together!

Concerns and Conferences

Discovery School administration and staff members are ready to discuss any concerns you might have about your child and their experiences at school. Parent conferences are scheduled twice a year and at any other time the teacher and/or parent deem necessary. If you want to meet with an administrator or teacher, please schedule an appointment through email or through the school office. Please do not expect school staff to meet with you without an appointment. We are glad to meet with our parent partners any time an appointment is scheduled.

CONNECT WITH US!

School Website

Our website, discoveryschoolexplorers.net, contains information on important topics, including academic requirements, school websites, and transportation information.

District Callouts

MCS uses a callout system to share important news and information with families. You will receive recorded calls from the school district and your child's school. If you are not receiving calls, contact your child's school to update your contact information. If your phone number changes, please update with your school to ensure you continue receiving our calls.

Skyward Portal

Family Access is a secure website that will allow you to view important information regarding your child, such as assignments, attendance, grades, information from administration and teachers, progress, and schedules. To log in to Family Access, visit our website and choose Skyward Parent Portal under Quick Links. If you need a user ID and/or password, please contact the office.

ClassDojo

Discovery uses ClassDojo as a communication platform to engage parents. It requires parents to set up an account with ClassDojo.

PeachJar

MCS uses PeachJar to provide information on community resources to parents and staff.

LEARNING ANCHORED IN DISCOVERY.

ABOUT THE SCHOOL

The Discovery School is a kindergarten through 5th-grade school for high achievers. Students must apply and qualify on an admissions test to attend the school. We have a strong STEAM program that enriches and excels the learning experience. We involve our community and partners to create real-world learning opportunities that expose our students to their world beyond the typical learning.

Our school colors are red, blue, and white. We are the Discovery School Explorers, and a dolphin, Dolly, is our mascot.

Our vision is that Discovery School cultivates versatile, high-achieving learners through a joyful, challenging, supportive environment where everyone belongs and thrives in a culture of growth and learning.

ADMISSIONS

- Students test for admission into Discovery School. Results are sorted in rank order, and positions are offered based on availability. Siblings who qualify will be placed at the top of the rank order for their score.
- Applicants will not be re-tested for the same grade.
- Report cards and standardized test scores must be uploaded with the application for consideration for students applying for grades 1-5.
- Students who have repeated a grade will not be considered. Students already enrolled in kindergarten are not eligible to test for kindergarten.
- If a student leaves Discovery School for any reason, their spot will not be guaranteed, and students must reapply and go through the admissions process.
- If a family moves outside of the geographic boundaries of the City of Murfreesboro, their spot will be forfeited.

In addition to meeting entry criteria, students must remain in good standing to continue enrollment at Discovery School. Good standing includes regular attendance with limited tardies, satisfactory academic progress in Discovery's accelerated curriculum, timely completion of assignments and projects, report card grades and assessment data that reflect appropriate achievement and growth, consistent effort and work habits, and respectful behavior. Failure to maintain good standing may result in parent conferences, academic monitoring, an improvement plan, probation, and/ or a requirement that the student return to the student's zoned school.

IMPORTANT TIMES

Our school doors open at 7:30 a.m.

Classroom instruction begins promptly at 7:45 a.m.

The school day ends at 2:45 p.m.

ARRIVAL PROCEDURES

When loading and unloading students in cars, safety is always our primary concern. Car riders will be loaded and unloaded at the front car rider loop. Please help us ensure the safety of all students by following the guidelines:

- Students shall not arrive earlier than 7:30 A.M. unless they are enrolled in ESP. Parents and students do not have hallway access until 7:30 A.M. Students cannot be released from vehicles onto sidewalks and/ or left to wait for the opening of the building before 7:30. It is unsafe, and children are unsupervised.
- Load and unload children on school property and observe traffic signs and rules as well as the directions of staff members who have been assigned to assist with loading and unloading.
 - **Grades K-2:** Students must be dropped off along the sidewalk in the front of the building and may enter through either front door. Drivers are not to pass cars unloading in the left lane. This is a safety concern for students. Students are not to unload on Houston.
 - **Grades 3-6:** Students must be dropped off along the sidewalk in the back of the building and enter the door near the library.
 - **Driveways and mailboxes cannot be blocked in the surrounding neighborhoods while waiting in line.**
 - Only students enrolled in ESP will be permitted to enter through the gym doors.

As a reminder, State law prohibits any handheld use of cellphone, including talking on the phone, while in a school zone.

DISMISSAL PROCEDURES

- No students will be dismissed 30 minutes prior to the scheduled dismissal time (2:15 on regular school days and 10:45 on half days).
- Grades K through 2 are dismissed in the front of the building. Grades 3 through 6 are dismissed in the back of the building. Older siblings will join younger, unless told otherwise.
- All car riders will be given a car rider sign from their teachers. If you do not have your sign, you will be required to park your car, walk in to the school building, and show identification. Carpoolers must have a car rider sign for each student being picked up.
 - Children will not be released to anyone with homemade tags.
- Parents may not walk up in the car line to pick up. Parents must remain in vehicles during dismissal.
- Children will be instructed to watch for their ride and walk to the car when directed.
- Walkers must have their address verified and must reside within one mile of the school.

ATTENDANCE REQUIREMENTS

TARDINESS

The school day begins promptly at 7:45 a.m. Any students arriving after this time are considered tardy to school. These students must be signed in at the front office. Tardies are reported on the attendance report, and excessive tardiness will be reviewed for potential action.

ABSENCES

Parents are responsible for providing documentation when a child misses school. Written documentation supporting reasons for absences must be submitted to the school attendance officer within 5 school days. Even though a parent may verbally contact the school, a written notice must also be provided to the school and e-mailed or given to the attendance officer.

For more information on school absences, see the Murfreesboro City School's Parent Handbook.

MAKE-UP WORK

Students who miss schoolwork because of an absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments/tests shall be similar, but not necessarily identical to, the assignments/tests missed during the absence. Students will receive full credit for work completed and submitted by the modified due date.

EARLY DISMISSAL

Students must be signed out at the office by the parent for early dismissal. If someone other than the parent is picking up, the parent is to send a written note listing the name of the individual they are requesting to check out their child early. That individual must be prepared to show photo I.D. at pick-up.

ACADEMIC INFORMATION

Reporting Student Progress

Parents and teachers working together maximize the potential for success of each student. Therefore, it is necessary that communication be a continuous process between the home and the school. Faculty and staff welcome and encourage open communication. Report cards are distributed on a nine weeks basis and sent home with the students. Parents can also access these reports and stay up to date on student progress online through Skyward. Parent conferences are scheduled twice a year and at any other time the teacher and/or parent deem necessary.

Field Trips

Field trips are an important part of connecting classroom activities to real-world experiences. Parents must sign a form granting their child permission to participate in these activities before their child is permitted to leave the building for a trip. Funds may be requested for each child's trip. Parents may chaperone pursuant to School Board policy, however siblings of students will not be allowed on field trips.

Media Center/Library Access

The media center offers open checkout, scheduled classes, and research times. All classes meet with the Library Media Specialist at least once a week for lessons that include library skills such as researching topics and using reference sources. Each student is issued a library number to use when checking out materials. Parents are responsible for paying the replacement cost for any lost or damaged materials.

Protected Instructional Time

Discovery School will be exploring various content areas (reading, math, science, technology, music, art, STEAM, etc.) each day. We believe that your child's learning atmosphere is of the utmost importance and should be protected. Please assist us in limiting interruptions. To avoid interruptions to valuable learning time, parents may drop off items or personal messages for students at the Discovery School office. Parents will not be able to bring items to their children in the classroom to protect the instructional time for all learners. School personnel will see that the students are informed of the message or receive the necessary item at the appropriate time. Like you, we desire the best possible learning climate for all our children to achieve academic & personal success!

ACADEMIC INFORMATION

School Counseling

There are many services provided by the Counseling Department, such as: individual counseling, small group counseling, parent consultation, and teacher consultation. Additionally, we will have a social worker on site at scheduled times throughout the week to provide assistance when necessary for students or families. Students can refer themselves for individual counseling or can be referred by teachers, parents, or other staff members. Parents and teachers can ask for assistance from the counselors when conferencing about specific problems which they have not been able to resolve themselves.

Playground Use

Classroom or special area teachers will supervise students who use the playground during the school day. Instruction for safe play will be given. The following is a list of expectations for the playground:

1. Swing alone and use the swing appropriately to remain safe.
2. Slide down the slide seated and avoid climbing up the slide.
3. Climb and play safely only on identified climbing apparatus as they are designed.
4. Play safely on the monkey bars—no leg wrestling, or pulling on students.
5. Play safely and avoid tackle football or aggressive pushing or shoving in basketball, soccer or any other sport.
6. Stay in the designated area within sight of the teacher or supervisor.

Physical Education

Each child is required by state law to participate in physical education, and every class is scheduled to meet with the physical education teacher. The four major areas taught in physical education include games/sports, gymnastics, physical fitness, and rhythmic activities.

All students will participate in physical education, unless the school is presented with a:

- A parent's written request asking for the child to be excused from one gym class and stating the reason, OR
- A doctor's note that states the length of time needed to not participate in gym class. A doctor's note is required if student will miss more than one gym class.

If a child has any health problems or a chronic illness, the parent should inform the physical education teacher.

Each child must dress properly for physical education classes.

- Students must wear tennis shoes each time they come to gym class. Boots, sandals, crocs, flip flops, hiking shoes, casual shoes, dress shoes, etc. are not acceptable.
 - Students who come to gym time without the appropriate tennis shoes will not be able to participate in the activity.
 - The first time a student does not wear appropriate shoes to gym, the student will be given a verbal warning. The second time the student does not wear gym-appropriate shoes, parents will be contacted.

ACADEMIC INFORMATION

Music Program

The music program allows students to explore elements of sound including melody, harmony, form, rhythm, texture, and expression. Music class activities include singing, moving, playing instruments, listening, creating, and improvising. The Music Specialist will help students develop musical potential by providing an outlet for creativity, self-expression, and multicultural awareness. Musical talents and abilities will be showcased during performances throughout the year.

Technology

Technology is an important part of Discovery School. Students will integrate technology into learning activities. All classrooms will have laptops. Laptop computers will be available for kindergarten through fifth grade. The students will be trained to properly operate and care for the technology. Teachers utilize Interactive Boards as an instructional tool for teaching and learning. We also have a multitude of technology resources and tools to enhance our STEAM education.

Our Curriculum

Discovery School is committed to providing high-quality curriculum. Discovery School offers an enriched, integrated curriculum, accompanied by a strong core of basic skills for all students. Students will construct knowledge, and classrooms provide an environment that fosters curiosity to explore and experiment while mastering basic skills and concepts.

Our curriculum is designed to develop critical thinking skills through the exploration of essential concepts and standards. Advanced learning experiences are provided with emphasis on science, technology, engineering, arts, and mathematics (STEAM). Creative, hands-on projects and scientific investigation will be combined to help students master academic goals and problem-solving skills, and will include accelerated learning opportunities to maximize each student's growth.

Continued Enrollment

For continued enrollment at Discovery School, students must demonstrate the academic readiness, work habits, attendance, and classroom performance necessary for success in Discovery's advanced learning environment. Student progress may be reviewed using multiple sources of information, including report card grades, completion and quality of assignments and projects, classroom performance, District and State assessment data, academic growth, attendance, tardies, behavior that impacts learning, and teacher or administrative input.

When academic concerns arise, the school will communicate with the parent/guardian and may develop supports or interventions, as needed. If, after notice and an opportunity for improvement, a student does not demonstrate the academic performance, readiness, or progress necessary for continued success at Discovery School, the administration may place the student on academic probation, recommend that the student return to the student's zoned school, or require the student to return to the student's zoned school. Any decision regarding continued enrollment will be made pursuant to applicable MCS policies and State and federal law, including protections for students with disabilities.

SPECIAL EVENTS & FUNDRAISERS

Discovery School will host special events and fundraisers throughout the school year. This allows the Discovery community to engage with each other while supporting the school.

School-sponsored fundraising activities provide additional funds for the school. Participation in fundraising activities is voluntary. These activities will not conflict with the instructional program and a child's grade will not be impacted by participation in fundraising. More information on fundraising can be found in [Board Policy 2.601](#).

Our school fundraisers include:

- Annual PTO Fun Run
- Explorer Fund Campaign

More information on school fundraisers will be provided to parents on an annual basis.

HOUSE SYSTEM

Discovery School has four “houses”: MOED, STOYKO, IBA, and CURIEUX

Students and staff will be assigned a house. Staff will award students with points for showing good character, academic achievement, good attendance, school spirit, kind efforts, and other areas of student participation and engagement.

Throughout the year, Discovery will have special events, school spirit days, competitions, and pep rallies so that students can celebrate with their houses.

PARENT-TEACHER ORGANIZATION

Discovery School is grateful to have an involved Parent-Teacher Organization! Parents are encouraged to join and attend meetings. A family membership is \$5.00. Contact the PTO for any information concerning volunteerism at ptodiscoveryschool@gmail.com or visit discoveryschoolpto.org.

VOLUNTEERS

We welcome your help. We need tutors, classroom helpers, field trip chaperones, mentors, and speakers. If you would like to help in your child's classroom, please email your child's teacher. Volunteers will be required to complete a form and provide a copy of a valid State-issued I.D.

Please note, if you volunteer at our school, you may not bring other children with you.

CODE OF CONDUCT INFORMATION

All Murfreesboro City Schools students are subject to the school system's Code of Conduct which can be found in the Parent Handbook. In addition, the following information applies to children attending Discovery SchoolSchool:

Discovery School is committed to the development and support of the social and behavioral climate of our school. To help ensure this, we implement a positive behavior support system that is designed to assist students and teachers by intentionally meeting the social emotional needs within our school while proactively addressing individual behavioral concerns in an effort to support a school environment that fosters creative, challenging, and excellent academics.

Discovery School will also have school-wide behavior expectations. These will be taught in each classroom throughout the year. We expect all students to be:

RESPECTFUL

RESPONSIBLE

REMARKABLE

BULLYING, DISCRIMINATION, AND HARASSMENT

Students shall be provided a learning environment free from sexual, racial, ethnic, and religious discrimination/harassment. It shall be a violation of this policy for anyone to discriminate against or harass a student through conduct or communication that is sexual, racial, ethnic, or religious in nature. For complete details on discrimination and complaint procedures, please refer to the Murfreesboro City Schools Parent Handbook.

DRESS CODE

Children are expected to come to school dressed appropriately.

Clothing/accessories/hair, which would disrupt teaching and learning, are not considered appropriate dress. Clothes and shoes must fit appropriately, and no undergarments may be visible. The staff reserves the right to call a parent to the school if child's appearance or attire becomes disruptive, unsafe, or distracting. For safety, cleats and roller shoes ("Heelys") may not be worn at any time. Parents, please help us with dress code as learning can be negatively impacted with distractions at school.

CLUBS AND ACTIVITIES

Discovery School is excited to offer a number of extracurricular activities to ensure the academic and personal success of our students! Parents will be required to complete a permission form prior to their child's participation in any club or activity.

Beta Club

Beta Club promotes the ideals of academic achievement, character, service, and leadership among 4th-5th grade elementary school students. Previous participants from Discovery School have won numerous awards and advanced to national-level Beta competitions. Beta Club members also coordinate annual service projects to give back to their community.

Cross-Country

Cross-country is a team sport of distance running on outdoor terrain. The Explorers cross-country team consists of over 30 members who compete with teams from across the mid-state each fall.

Robotics

The Robotics Club at Discovery School consists of 4th-5th grade students who are passionate about STEM and coding. Students have the opportunity to compete locally and regionally with other Robotics Teams and showcase their skills at the annual Beta Convention.

Clubs and activities may be added throughout the year and will be posted online if added during the school year. Parent permission will be required prior to any child's participation.

Lost and Found

It is recommended that your child's possessions be clearly labeled (name tag, marking pen, etc.) to assist in the return of misplaced articles. For those of you who are concerned with writing names on clothing due to resale, masking tape and sharpie on a tag works well, but may need to be replaced after washing. Children should not bring toys or other items to school. The school is not responsible for personal items lost or damaged at school. All unclaimed items will be donated to a local charity at intervals during the year.

HEALTH AND SAFETY INFORMATION

School Safety

Discovery Schoolis committed to keeping your child safe while they are in our care. Our school has and will continue to dedicate resources, time, and effort to ensure that our school building is safe and secure. Our school has an incident response plan specifically designed for our school that our staff are trained on throughout the year. Training drills involving all staff and students will be conducted on a monthly basis that include the following: fire, severe weather (tornado), and intruder. All drills are conducted with a preventative focus to be prepared for such emergencies.

School Visitors

Anyone other than a Discovery student or staff member is considered to be a **VISITOR** and must enter the building at the front entrance and report to the school office to sign in and receive a visitor's pass sticker. This pass must be worn by the visitor at all times. Discovery School uses the *Guardian visitor scanning system*, and government-issued photo identification will be required for scanning. All visitors must adhere to Discovery policies and procedures. Before leaving the building, visitors must return to the office to sign out and return the visitor's pass. All exterior doors with the exception of the front door are locked and remain locked throughout the day. Parents may not park cars on the circular drive entrances. Please utilize the provided parking spaces when entering the campus.

School Health

In an effort to keep our students healthy, it is important for students to stay at home and away from others when feeling sick. If your child develops symptoms during the school day, they will be sent to the school nurse for assessment. The nurse will determine if the child must be sent home according to our illness guidelines. The school health clinic cannot provide prolonged care of sick students. You or an emergency contact must pick up your child within an hour of notification. The child should not return for at least 24 hours, unless they have been cleared to return earlier by a medical provider. Medical documentation must be provided if your child returns prior to 24 hours. ***Please see the Murfreesboro City School's Parent Handbook for Illness Guidelines.***

If your child requires medication during the school day, Murfreesboro City School's Parent Handbook for medication guidelines.

SCHOOL NUTRITION

Students are served meals in accordance with the guidelines of the National School Lunch Program. Cafeteria menus may be viewed at www.schoolcafe.com or www.cityschools.net. Please feel free to contact the Cafeteria Manager with any questions, concerns, or suggestions that you may have.

School Meals

Breakfast and lunch are served daily to all Discovery students at no cost to families. Students are also welcome to bring their own lunches and snacks. All children are expected to eat lunch, unless the child has a religious exemption. Students may not bring glass bottles to school as part of their lunch. Healthy snacks are available for students to purchase in addition to school lunch. Money may be added to your child's account in the cafeteria any morning before classes begin. Put all money and checks in sealed envelopes with the child's name, teacher's name, and the purpose of the money on the outside of the envelope. Students will not be allowed to charge extra snacks. Returned checks to any school account will be charged a \$15.00 service fee.

All families, regardless of ability to pay, will be asked to complete a demographic statement at the beginning of the school year for federal accountability for the school food program.

Cafeteria prices are set by the school board and are subject to change.

Snack Policy

We encourage healthy snacks from home. Some ideas include apples, raisins, grapes, bananas, pretzels, crackers, celery sticks, carrot sticks, 100-calorie type packs, etc. Your child's teacher may provide guidance or suggestions for individual classrooms. We encourage students to bring bottled water to school. No carbonated drinks should be sent to school.

Lunch Visitors

We encourage parents and grandparents to dine with their students at lunch. Please do not bring in food from outside sources when you come to Discovery School. Parents will eat at a designated table. Students may ask one friend to join them. Parents must keep children/siblings seated at the table. All guests are expected to follow cafeteria rules. Please do not check your child out to be taken to lunch unless there is an extreme circumstance.

STUDENT PROPERTY

Discovery discourages students from bringing personal property onto campus that is not required for instruction. Students bringing personal property onto school campus do so at their own risk. Large sums of money (not to exceed \$20.00) may not be brought to school.

The following items are not permitted at Discovery School:

- **Toy guns or weapons of any kind**
- **Collector cards**
- **Laser light pointers**
- **Lighters or matches**

Cellphones, smart watches, MP3 players, laptops, or other personal technology may be stored in backpacks or other carryall. These items must be silenced or turned off unless permission is granted by the teacher. Improper use of these devices may result in confiscation of the device until it can be released directly to a student's parents. A student in violation of this policy is subject to disciplinary action. In addition to the parameters established above, use of any device to bully, harass, or intimidate others will be subject to disciplinary action.

Using any device for any illicit activity including, but not limited to, taking, disseminating, transferring, or sharing obscene, pornographic, lewd, or otherwise illegal images, photographs, or similar material whether by electronic data transfer or otherwise may constitute a crime under State and/or Federal law. Students engaged in any of the above activities will be subject to the disciplinary procedures of the Code of Conduct and reported to law enforcement and other appropriate State or Federal agencies.

These devices shall not be used to record and/or video school staff or students without the principal's/designee's permission. Cell phones or any other devices are not to be used, accessed, or displayed while on any school bus. Possession of a cell phone is a privilege, which may be forfeited by a student who fails to abide by school's policies and procedures.

The Murfreesboro City Schools Board, its schools, and its employees do not assume any responsibility or liability for the loss of or damage to any student's personal communication device, or for the unauthorized use of a student's personal communication device.

Discovery respects the right of privacy for all students. However, students do have conditional privacy while on campus. Student lockers, desks, and cubbies must have only school-related items in them. Lockers, desks, backpacks, and other places within the school are subject to search by teachers and/or administration at any time of reasonable suspicion or concern.

FREQUENTLY ASKED QUESTIONS

WHAT IF A PARENT HAS A CONCERN, COMPLAINT, OR QUESTION?

If you experience concerns or issues that need to be addressed, contact the teacher or appropriate instructor first to attempt to resolve the situation. If this same situation continues to be an issue and you believe another meeting with the teacher would not bring resolution, you may request a meeting with the teacher and/or administrator or counselor. If that meeting is needed, we are hopeful that a positive resolution will be reached.

CAN I SEND MY CHILD'S PARTY INVITATION TO THEIR CLASS?

Invitations to and/or reminders regarding personal parties will not be distributed at school unless they are given to every child in the class.

CAN I SEND DELIVERIES TO MY CHILD WHILE THEIR AT SCHOOL?

Due to safety concerns, flower and balloon deliveries are not to be sent to school, and will be returned to the florist/vendor.

CAN I SEND FOOD OR OTHER ITEMS FOR MY CHILD'S BIRTHDAY?

Birthday parties cannot be accommodated due to scheduling and in order to maximize instructional time; however, with advance notice to the teacher, parents may arrange for store-bought treats to be distributed at a time of the teacher's discretion.

CAN I VISIT MY CHILD'S CLASSROOM?

To protect instructional time, parents will only have access to classrooms during school hours when the classroom teacher provides permission to the office. Please schedule visits with the teacher or front office staff ahead of time.

DOES DISCOVERY HAVE AN EXTENDED SCHOOL PROGRAM?

Before and after school childcare is available through our ESP program from 6:00 until 7:15 in the morning and from 2:45 to 6:00 in the afternoon, Monday through Friday. Children may stay for both sessions or only attend one session, either morning or afternoon. Information regarding fees, class options, and attendance options is available from our Discovery ESP office. You may contact the Discovery ESP Director for enrollment information.
