

Dear Leroy Greene Academy Families,

Welcome to the 2026–2027 school year! As we open our doors for another year of learning, growth, and opportunity, I am excited to welcome both our returning families and those joining the Lion Pride for the first time. Whether your student is beginning their journey with us in sixth grade or entering their final year as a senior, we are honored to partner with you in supporting their success.

Our school year will begin with several opportunities for students to connect, prepare, and build community before classes officially start. ASB students will kick off the year at the ASB Leadership Retreat from August 3–5, while our newest Lions will have opportunities to become familiar with campus through 6th Grade Orientation on August 4 and New Student Tours on August 5. We are also excited to welcome our senior families to the Senior Student and Parent Orientation on August 11 as they begin preparing for an important and memorable final year.

At Leroy Greene Academy, we believe every student deserves a learning environment that challenges them academically, supports them socially and emotionally, and prepares them for a future filled with possibilities. We are excited to welcome all students back for the first day of school on August 13. During the first two days of school, students will participate in our Days of Welcome activities, designed to build connections, strengthen school culture, and ensure every student feels a sense of belonging. Middle School students will also participate in our Expectations Assembly on August 14, where we will reinforce the habits, behaviors, and values that contribute to a successful school year.

Our school community continues to thrive because of the strong partnerships we share with families. We encourage you to stay connected through ParentSquare, Infinite Campus, our website, and weekly communications. Throughout the year, there will be numerous opportunities to engage with our school through family events, performances, athletic competitions, parent workshops, and student celebrations. One of our favorite traditions, Senior Sunrise, will take place on August 21, giving the Class of 2027 an opportunity to celebrate the beginning of their final year together. Later that same day, our High School students will participate in the HS Expectations Assembly as we continue building a culture of excellence, responsibility, and Lion Pride.

Thank you for entrusting us with your child's education. I am looking forward to another outstanding year filled with learning, achievement, and memorable experiences. Together, we will continue building a culture of excellence that makes Leroy Greene Academy a special place for every student.—**let's hear us ROAR!**

In Solidarity,

Ms. Maharaj, M.S., M.A.
