Michigan Avenue 5th Grade

Some of you may have already purchased the School Supply Box that could be purchased through the online process with our PTO and they will be delivered to the school. If you did not order online, we have listed the items your child will need on a daily basis in 5th Grade. There is a small wish list of other items that we use in our classrooms. We appreciate any and all school supplies purchased.

All items are communal, so no names are needed, as we will use them for the entire school year.
