

AMITY REGIONAL SCHOOL DISTRICT NO. 5

STANDARD BENEFITS PACKAGE

for

NON-UNION, NON-CERTIFIED STAFF

Approved June 10, 2019
Reviewed May 2026

This is the Standard Benefits Package ("Package") offered by the Amity Regional School District No. 5 Board of Education. The Package will be reviewed at least annually by the Board and modified at the Board's sole discretion, with or without prior notice to employees.

The Superintendent reserves the right to offer benefits above the Standard Benefits Package if a candidate's experience, education, and job classification warrant a differential.

Employees understand and agree that this Package is not a contract of employment for a definite term. Employees understand and agree that their employment by the Board is "at-will" and is not for any specified term and that either the Board or Employee may terminate the employment relationship with or without cause for any lawful reason at any time. In the event that an Employee's employment relationship with the Board is terminated after the effective date of this Package, whether voluntarily or involuntarily, the Employee's restrictions and obligations under this Package, if there are any, shall nevertheless survive such termination.

For the purpose of this document, employees who work 12 months will be designated as annual employees. Staff who work 10 months (excluding the summer) will be designated as school term employees.

90-DAY PROBATIONARY PERIOD

Each new hire shall serve a ninety (90) working day probationary period. "Working day" shall be defined as days that the employee actually attends work. Prior to or at the end of the probationary period, the Superintendent or his/her designee will make a recommendation to the Superintendent of Schools or his/her designee to either retain or terminate the employee. Employees subject to a recommendation to terminate shall be informed, with rationale, of the decision by the Superintendent of Schools or his/her designee. The probationary period may be extended at the discretion of the Superintendent of Schools or his/her designee.

In order to qualify for holiday leave, an eligible employee shall have worked on the last regularly scheduled workday prior to and the next regularly scheduled workday following the holiday, unless the employee is out of work due to a previously approved vacation day, excused sick leave, jury duty or funeral leave. In the case of a sick leave, the sick leave will be considered excused if the employee submits a note from the physician

treating the employee for the illness that caused the sick day no later than the second workday following the holiday that is satisfactory to the Superintendent or his/her designee. In the case of jury duty, the employee may qualify for paid leave only upon presenting proof of service upon his/her return to work.

In the first year of employment and ending on June 30th, the days shall be prorated from the date of hire. Requests for personal leave should be made as far in advance as possible. Personal leave is not cumulative. Personal leave may not be used to extend a vacation or holiday period. Personal leave may not be used before or after a holiday unless the employee obtains written approval from the Superintendent.

JURY DUTY

An employee who is officially summoned for jury duty shall be paid the difference between the employee's regular daily wages and the compensation received for jury duty. This principle shall apply only for those days when the employee is actually serving as a juror and is scheduled to work. Whenever the employee is on leave from jury duty, he/she is expected to report to his/her regular work assignment.

If an employee is advised prior to the day he/she is scheduled to report for jury duty that he/she is not required to report for jury duty, he/she is expected to report to work. If the employee does not report to work, a different form of paid leave that can be used for an absence from work under the terms of this Agreement may be used by the employee for the day.

Upon receipt of a juror questionnaire, its receipt is to be reported by the employee within seven (7) calendar days of the date of receipt to the building Principal or supervisor. In order to receive the pay differential, an employee must provide verification to his or her supervisor that he or she actually performed jury duty within 10 days.

SICK DAYS

For absence for which sick leave is claimed, on or after the third (3rd) consecutive sick day, the Superintendent of Schools or his/her designee may require evidence in the form of a note from the physician treating the employee for the illness or injury that caused the sick day. Documentation may also be requested for any sick leave taken immediately prior to or immediately following a holiday or vacation period. Such note shall state the nature of the illness or injury and the expected duration.

Additionally, a note from the physician treating the employee for an illness that caused the absence(s) may be requested if a review of the employee's record demonstrates an excessive use of sick leave, an abuse of sick leave and/or a pattern of absenteeism. A pattern of absenteeism, an abuse of sick leave or an excessive use of sick leave may be the basis for discipline or other appropriate action.

A pattern of absenteeism shall be defined as repeated:

- a. absences prior to or after weekends (or prior to or after the employee's regularly scheduled last day of work during a calendar week);
- b. absences prior to or after scheduled days off;

- c. absences prior to or after holidays;
- d. the use of sick time intermittently in conjunction with other forms of paid time off;
- e. absences on the same day every week or month; and
- f. consistently taking sick days (full day increments or partial day increments) over a period of time (provided, in the event that an employee provides the Board with a note in advance of anticipated medical or dental treatment, such absence shall not counted).

School term employees shall be entitled to 10 days sick leave with full pay each fiscal year; these days will be accrued on a monthly basis and prorated for the first year of employment year. Such leave, if unused, shall accumulate to a maximum of 100 days.

Part-time school-term employees shall be entitled to 10 days sick leave with pay; these days would be prorated to the actual hours worked. Such leave, if unused shall accumulate to a maximum of 100 prorated days.
