

National (Weekend) SAT
New Trier High School
Hosted at the Winnetka Campus

Registration: Registration is completed directly with College Board. The student must set up account and register here: <https://satsuite.collegeboard.org/sat/registration>

Registration with Accommodations/Supports: If your student has an IEP or 504 plan in place at the school, it is likely that your student is already approved for Accommodations and/or Extended Time. Once the student account is created with College Board, the approved accommodations will automatically be associated with the student account. You can also view your student's accommodations on the Bluebook app. If you have specific questions, you may also email testing@nthsh.net. Please note you **must** register your student to test with accommodations in order for them to be in place for the SAT.

******New Trier is a host of the exam dates highlighted in Yellow. New Trier High School does not oversee the registration process for the National SAT and has no control over who secures a registration, as all registrations are handled directly by the College Board on a first-come, first-served basis.
