

Title IX

The West Bend School District (WBSD) does not discriminate on the basis of sex. The WBSD's strong commitment to preventing discrimination of all kinds is explained in board policies 113, 411, and 511. Like all school districts, the WBSD is required by Title IX and Part 106 of Title 34 of the Code of Federal Regulations to not discriminate in such a manner.

Any person may report sex discrimination or sexual harassment to the Title IX Coordinator(s) in person, or via email or telephone at any time of the day.

The training materials used to train our Title IX coordinators can be found [here](#).
