6	I was not allowed to attend the meetings this year.	5/19/2026 10:48 AM
7	It was wonderful connecting with both former public library colleagues and new school librarians. Carl and Melanie were very helpful in connecting me with people and resources that are helping me run my library better.	5/19/2026 9:08 AM

SLS sponsored Library Leadership Academy Zoom recordings which can be found here, overall, I would rate the helpfulness as:

1	I haven't been able to watch any this year	6/23/2026 8:31 AM
2	I did not have the opportunity to join this year, but I have in the past and they are very helpful	6/8/2026 12:30 PM
3	I never seem to have the chance to view recorded meetings but it's good to know they are available if I need to access them.	6/4/2026 2:49 PM
4	I personally have trouble following along with Zoom meetings, so I don't view them anymore.	5/20/2026 8:30 AM
5	I have not really looked at any of the Zoom recordings. It doesn't mean that they are not helpful.	5/19/2026 9:42 AM

Overall, I would rate the helpfulness in attending the Long Island School Library Systems Regional Institute on November 4, 2025 as:

#	COMMENTS	DATE
1	Was not able to attend due to in-district trainings but I was very interested in the line up!	6/23/2026 3:15 PM
2	I thought this year's presenters were great!	6/23/2026 8:31 AM
3	I was able to attend for the first time 2 years ago and found it very valuable but my district does not typically support our attendance at paid conferences. I appreciate the libguide resources "making your case to attend"! The district may or may not allow me to take a prof day if I paid the registration fee myself but either way, it's a lot of 'hoops' to jump through.	6/4/2026 2:49 PM
4	I look forward to this every school year! I always walk away learning something new and I love that the PD is actually relevant to my job rather than sitting and listening to something that doesn't pertain to me.	5/29/2026 8:33 AM
5	It's my favorite day all year!	5/26/2026 10:06 PM
6	I enjoy the classes and networking.	5/26/2026 10:23 AM
7	I love seeing what other librarians are doing and the networking opportunities!	5/20/2026 8:30 AM
8	As a district, we were not permitted to go. I hope we can attend in 2026.	5/19/2026 9:36 AM

SLS sponsored Library Automation User Groups, overall, I would rate the helpfulness or ability to watch the recordings as:

#	COMMENTS	DATE
1	My district uses MackinVision	6/23/2026 3:15 PM
2	I haven't attended or watched any	6/23/2026 8:31 AM
3	I attended a virtual Follett automation user group meeting this year and honestly it was not at all helpful. I had expected it to be more interactive but the presenters seemed to have a very specific agenda. Some of it felt like a sales pitch and not particularly relevant to libraries. I was able to bring up my main concern regarding the log in prompt which was later addressed with kiosk mode option- not a great solution but helps somewhat. An in-person workshop with a looser agenda would be more useful.	6/4/2026 2:49 PM
4	I never watch -_-	5/26/2026 10:06 PM
5	I would like to make better use of the Follett User Groups.	5/26/2026 10:17 AM
6	I hope to attend the OPALS meetings next year!	5/19/2026 10:07 AM
7	I do not attend the user group meetings. It does not mean they are not helpful.	5/19/2026 9:42 AM

In general, what is your level of satisfaction with the World Language Collection which includes the AV2 Book collection found on the Elementary VRC or the opportunity to checkout the "red bin" class sets of select titles?

#	COMMENTS	DATE
1	I'd like to see more variety on the elementary level, like a picture book bin or a middle grade fiction bin.	6/24/2026 8:39 AM
2	My district is not opted into the VRC.	6/23/2026 3:15 PM
3	I haven't had the opportunity to borrow them yet	6/23/2026 8:31 AM
4	I don't use the world language collection but I have shared the resource with teachers- got some positive feedback, not sure if anyone actually uses it. Have not used the red bin books but have told a few bilingual teachers about it. It would be useful to have circulating (English language) class set(s) of a few popular chapter books ex. Wild Robot series, One and Only Ivan, something by Kate DiCamillo and/or Roald Dahl.	6/4/2026 2:49 PM
5	Never used them	5/29/2026 8:33 AM
6	Perhaps building the collection. HS level: Romeo and Juliet, the Odyssey, etc.	5/27/2026 8:38 AM
7	The Gale Database in Spanish is a huge help in supporting our ENL population.	5/26/2026 10:17 AM
8	My school hasn't utilized them yet, but knowing they are available is helpful!	5/20/2026 8:30 AM
9	I love the AV2 book collection but I've never utilized the red bin class sets.	5/19/2026 10:48 AM
10	I have not used it. It does not mean it is not helpful.	5/19/2026 9:42 AM
11	We utilized the red bin class sets of spanish language.	5/19/2026 9:36 AM

In general, what is your level of satisfaction with the L.I. Students Read Collection which is available to all via the OverDrive/SORA app?

#	COMMENTS	DATE
1	I do not use because our rating is set too young and my kids don't find anything on it	6/18/2026 7:44 AM
2	Needs more popular items in English	6/11/2026 10:24 AM
3	I promote it in all of my Sora lessons along with NY Reads!	6/4/2026 2:49 PM
4	Thank you!	5/26/2026 10:17 AM
5	At Longwood we have an extensive SORA collection of our own with a generous budget.	5/26/2026 8:58 AM
6	Excellent collection for students to access more ebooks!	5/26/2026 8:32 AM
7	Love this! I always have my 9th graders add it as a library during library orientation.	5/20/2026 8:30 AM
8	my teachers did not feel there were enough titles to utilize.	5/19/2026 12:26 PM
9	Our district will not get SORA	5/19/2026 9:42 AM
10	SORA - not quite there yet in terms of full set-up. I made the 6th grade students aware and there was interest, but not enough titles have been provided by our district. The extra steps it took to include LI READS, turned students off during our single session to promote it. Maybe it would work for them, maybe it wouldn't. The tech was inconsistent. I hope our district continues to build up our SORA collection at the middle level. In addition to full access of popular titles, ease of use is essential.	5/19/2026 9:36 AM
