

Dear Woodland Families,

Woodland Elementary implements a “community model” for school supplies. We will provide classroom supplies for all students so you will not need to purchase the majority of items. We have found that this model provides convenience and cost savings for parents. The benefit to the school is having consistency of items available in the classroom.

To help offset our costs, a **suggested donation of \$30.00 per student** may be brought to Open House Orientation Night on Aug. 26, 2025, dropped off in the Woodland school office or mailed to the school.

Woodland Elementary School
PO Box 308
Alexandria, MN 56308

We do realize some students enjoy the traditional back to school shopping so there are a few items that students will still need to provide:

- Backpack without wheels
- Tennis shoes for Phy Ed
- A box of tissues
- Pencil Box or Bag

Please do not send any other school supplies - we will have it covered!

Thank you,

Heather Timm
Woodland Elementary Principal
