

Access to Script/ Review of Results Candidate consent form 2026

If your examination centre makes an enquiry about the result and a subsequent appeal of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- **Your original mark is lowered, so your final grade may be lower than the original grade you received.**
- **Your original mark is confirmed as correct and there is no change to your grade.**
- **Your original mark is raised, so your final grade may be higher than the original grade you received.**

To request a Review of Results (RoR) service and/or an Access to Scripts (ATS) service, you must provide the relevant consent. Please complete the information below, sign and date this form and return it to the exams office. Please note that any Review of Results service (e.g. a Clerical re-check or Review of marking) is a paid-for-service, the cost of which may not be covered by the school.

Deadline(s) for return of request(s): For **Priority Service 2:** Review of marking by **19th August 2026** | For copy of script to support **review of marking** by **17th September** | For any other service by **23rd September 2026**
