PROGRESS IN PHOTOS

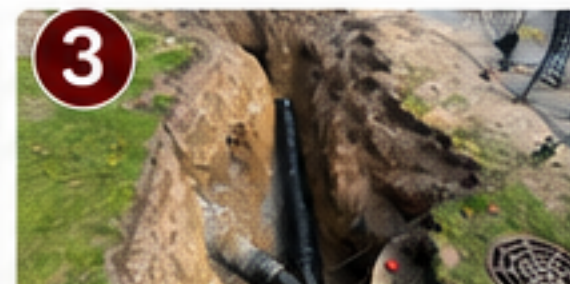

1 NORTH & SOUTH FOUNDATION WALLS

The footprint of the new classroom addition is now clearly visible.

2 FOUNDATION FORMS REMOVED

Concrete walls have been poured and forms removed.

3 STORM DRAINAGE INSTALLATION

Critical underground infrastructure is being installed.

4 INTERIOR PIERS

Additional structural supports are being added within the foundation.

5 EAST FOUNDATION WALL FORMS

Crews are preparing forms for the east foundation wall.

WHAT'S NEXT?

Construction crews will continue:

- Completing foundation construction
- Installing additional structural supports
- Expanding site drainage systems
- Preparing for structural building components
- Advancing the classroom addition toward vertical construction

As summer progresses, the community will begin to see the new addition rise above ground.

STUDENT IMPACT

The new classroom addition will provide modern instructional space designed to support collaborative learning, flexibility, and future educational programming needs.
