Water Bottle Update

Policies for 2026-27

16 oz or smaller

Only water -
no juices or
fruit drinks

No loose
straws

Labeled
with name

Spill
Proof/Leak
Proof

No glass
containers
for snack

Why the update?

- Smaller bottles are easier to store in classrooms in order to keep them accessible to students throughout the day.
- While students are able to have a drink of choice at lunch, throughout the day water is the most nutritious and only allowable option.
- Student safety is our top priority, so reducing the amount of spills and chances of broken glass is important.
- Labeling all personal items allows us to return them to their rightful owners. Our lost and found is generally crowded with unclaimed/unlabeled items.
