

Welcome to Kindergarten

Dear Parents/Families,

Welcome to kindergarten! My name is **Cathy Lozzi** and I will be your child's kindergarten teacher. Kindergarten is a year filled with growth and new experiences and it will be an exciting one for not only your child but for you as well. I am looking forward to getting to know both you and your child!

My goal for each and every one of my students is to have them develop to their fullest potential in a safe, fun and stimulating learning environment. Parent/teacher communication is vital as we work together to provide the best educational experience for your child! I will be communicating through email, a weekly newsletter, and telephone calls. I will also utilize our Google Classroom to post important announcements, upcoming events, links to songs and curriculum supports, as well as pictures!

In order for me to get to know your child more quickly, I would love to have some information about your child (your child's interests, favorite books and activities, special talents, favorite foods, **ALLERGIES** and any other fears or concerns your child may have about kindergarten.) You are your child's first teacher and I value and look forward to your input! Please feel free to add any other comments or note any questions or concerns you may have. You can email me at clozzi@mccsd.net or send in a note.

Please know that your child's health and safety, social/emotional learning, and academic development are all equally important and will be integral components of our lessons and our day!

SCHOOL SUPPLIES

Please bring all school supplies on the **FIRST DAY** of school.

Other Important Information

- **Absence Notes:** If your child is absent, please send a note upon their return to school. The note must include the date(s) of absence and the reason for the absence.
- **Early Dismissal:** If you plan to pick up your child early, please send a note to school on the day of the early pickup. **A photo ID is required** when picking up your child.
- **Snack Time:** A snack period will be provided each day. Please send a nutritious snack and drink, such as fruit, crackers, cheese, or vegetable sticks. Please do not send candy or soda, and limit unhealthy snack choices.
- **Lunch and Snack Preparation:** Please make sure your child knows whether they will be buying lunch and what they will be purchasing. It is also helpful to keep snack items separate from lunch items. Before school each day, please review with your child which foods are for **snack** and which are for **lunch**.

I am looking forward to a fantastic year for all of us. Together we will make it a wonderful year as we work together to help your child reach his/her fullest potential.

Thank you in advance for your support and cooperation.

I look forward to meeting you!
