

Welcome to Kindergarten

Dear Parents/Families,

Welcome to kindergarten! My name is **Christine Bishop** and I will be your child's kindergarten teacher. Kindergarten is a year filled with growth and new experiences and it will be an exciting one for not only your child, but for you as well. I am looking forward to getting to know both you and your child!

My goal for each and every one of my students is to have them develop to their fullest potential in a safe, fun and stimulating learning environment. Parent/teacher communication is vital as we work together to provide the best educational experience for your child! I will be communicating through email, the Talking Points app, a weekly newsletter and telephone calls. I will also utilize our Google Classroom to post important announcements, upcoming events, links to songs and curriculum supports, as well as pictures!

In order for me to get to know your child more quickly, I would love to have some information about your child (your child's interests, favorite books and activities, special talents, favorite foods, **ALLERGIES** and any other fears or concerns your child may have about kindergarten.) You are your child's first teacher and I value and look forward to your input! Please feel free to add any other comments or note any questions or concerns you may have. You can email me at cbishop@mccsd.net or send in a note.

Please go to the Middle Country Website to view the Kindergarten Supply List.

Other Important Information

Absent notes **MUST** accompany your child upon his/her return to school with the date and the reason for absence clearly stated. It is crucial that we be notified if your child has been exposed to Covid or tests positive for Covid.

If you are picking your child up early, please send in a note on the day you'll be picking your child up early.

YOU MUST SHOW PHOTO ID.

A snack time will be reserved each day. Please send in a nutritious snack and drink (i.e. fruit, crackers, cheese, vegetable sticks). Please no candy and please limit unhealthy snacks..

Please make sure that your child knows in advance if they are buying lunch and what they are buying. It is also very helpful for your child to have their snack items separate from their lunch items. Please discuss with your child what is for snack and what is for lunch prior to school each day.

Thank you!

Lunch will continue to be free for all students for the entire school year!!

I am looking forward to a fantastic year for all of us. Together we will make it a wonderful year as we work together to help your child reach his/her fullest potential. Thank you in advance for your support and cooperation!!

I look forward to meeting you!

Ms. Bishop, Room 112
