Access online at www.hebisd.edu / Departments / Human Resources / Compensation Plan

Hurst-Euless-Bedford Independent School District

THIS SALARY SCHEDULE IS FOR THE 2026-2027 SCHOOL YEAR ONLY.

Neither past nor future salaries can be accurately calculated nor predicted from this salary schedule. Only the salaries for the 2026-2027 school year may be obtained from this information.

The Board of Trustees adopts a new salary schedule each year. If a raise is given, it is based on a percent increase of the daily midpoint of each paygrade or a percent increase of the individual salaries. There are NO "step raises" given automatically. The "step raise" concept was eliminated from state funding of public education personnel in 1984. In its place is a state-mandated minimum salary schedule. In 2026-2027, the state minimum salary schedule and other state-mandated minimum salary calculations are applicable to classroom teachers, full-time speech pathologists, full-time librarians, full-time counselors, and full-time registered nurses. A local district may pay any amount above the state minimum at its discretion. The local school board also has full discretion in determining the salaries of those employees not specifically covered by the state minimum salary schedule and/or state minimum salary calculations.

Nothing in this salary schedule shall be understood, interpreted, or construed as being a promise or offer of continued or future employment. Nothing in this salary schedule creates or is intended to create, implies, or is intended to imply that a contract exists between Hurst-Euless-Bedford ISD and any employee other than that provided in state law or local policy.

The District shall pay all salaried employees over 12 months in equal semi-monthly installments (24 payments), regardless of the number of months employed during the school year. Salaried employees hired during the school year shall be paid in accordance with administrative regulations.

Please contact the Human Resources Office at (817) 399-2016 for questions or clarification.

Teacher Incentive Allotment (TIA) Policy

As a result of HB 3, National Board Certified teachers earn a "Recognized" designation and generate additional funding through the Teacher Incentive Allotment (TIA). HEB ISD teachers with a TIA designation will receive 90% of the TEA-allocated distribution; the District will retain 10% of the TEA-allocated distribution to support oversight of the implementation of TIA.

Eligible teachers will receive compensation in the August paycheck, provided all information is received per TEA's published timelines. (Eligible retirees will receive payment in their final paycheck.)

TIA also allows teachers to request a one-time reimbursement of fees paid to the National Board for Professional Teaching Standards for NBCTs who achieved certification or renewal in 2019 or later.
