# PURCHASING DEPARTMENT
# MEMORANDUM

DATE: May 20, 2026

TO: Principals, School Administrative Assistants, Office Assistants

FROM: Kellie Lauhon-Pilchen, Administrative Assistant I, Purchasing

SUBJECT: Subscription pricing for the 2026-2027 school year

Attached is a list of current pricing for magazines and periodicals purchased by schools and departments in previous years. All titles are grouped according to the source.

## Timeline to Order:

Subscriptions require approximately an **8-week lead time** once the vendor receives the purchase order. A separate requisition must be used for each vendor and **MUST be submitted in the 2026/2027 iVisions year**. Use a separate line item for each magazine title and staff member requesting the subscription.

> i.e. Mrs. Smith is ordering 10 copies for *Highlights*, and Mr. Rogers is ordering 5 copies of *Time for Kids*, you would create one requisition for two line items, *Highlights* and *Time for Kids*, because they can both be ordered through Rivistas.

If you wish to order a publication that does not appear on the attached list, submit a separate requisition and include source information if known.

If you have any questions, please feel free to call our Assistant Buyer, Claudia Urueta, at ext. 4866.

*Classroom orders of 10 or more subscriptions include:*

**A FREE Teacher's Guide** with clear lesson plans using Common Core instructional best practices.

**FREE** instructional online resources for interactive whiteboards, LCD projectors, and classroom computers for every issue.

*Two issues may be combined as a single double-sized issue. This may reduce the number of mailings, but the total page count for the year will remain the same.

***Science Spin*** can be added to *Scholastic News*, and *Let's Find Out* subscriptions eight times per year for just $1.49 per student. This four-page curriculum supplement can only be ordered as an add-on to a grade appropriate subscription of *Scholastic News* or *Let's Find Out*. They cannot be purchased separately.
