

Join the Las Brisas Band Program!

There is a chance we will be having another band rental night in the fall during Meet the Teacher Night for anyone who missed the spring rental night. Students will enroll in band the first week of school. Please do not purchase an instrument online, or purchase an instrument at a cheap price. The quality isn't as well made and many repair shops will not repair them when they break. Students are not pulled from core classes; they will miss 2-3 specials classes a week depending on the quarter. Las Brisas students have the opportunity to grow musically and personally through the study of a musical instrument this year in the 5th -6th grade band programs. A few of the many valuable benefits one can receive from participating in a band are community, teamwork, practical leadership, responsibility, mindful discipline, increased self-esteem, and above all, an enjoyment and lifelong appreciation of music. Any student willing to learn, try new things, and give consistent effort can and will succeed!

Go Las Brisas Band! Count Me In!

During 4th grade Pre-band class, students learned the basics of sound production & technique on four instrument types: flutes, reeds, brass, & percussion. The following choices are available to learn more extensively in 5th-6th grade:

Woodwinds **Brass**

Flute **Clarinet** **Various Saxophones** **Trumpet** **Trombone** **Baritone** **Tuba**

Percussion (own or rent a bell-kit – includes bells with a drum practice pad)

Highly recommend this too

Please do not hesitate to contact me with any questions. I am happy to answer them! Email: ida.bentley@dvusd.org
