<u>A durable backpack</u> with a side pocket to hold water bottle (to go back and forth every day) that will fit an A4 sized folder, homework books, lunchbox and water bottle. The bag should be able to fit into the school cubby and be no larger than 40 cm in height. Large trolley bags should be avoided as they don't fit.	

A snack box, lunch box, small towel: all should be clearly labeled with your child's name. The snack and lunch containers should fit easily into your child's school bag and be ECO FRIENDLY as the school is making a concerted effort to become PLASTIC FREE. Please choose thermal containers as an excellent option for keeping your child's food at the desired temperature; food is not heated up in K classes. Both snack and lunch should include healthy food which your child likes and is familiar with eating. If fruit is included it should be peeled and cut from home (stones should be removed and grapes / cherries cut in half).

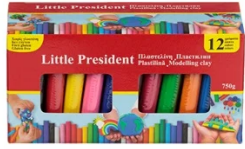

Water bottle: labeled with your child's name on. The school is going to be a PLASTIC FREE school. Therefore, we would like to encourage you to purchase environmentally friendly water bottles. **Glass bottles ARE NOT ALLOWED for safety reasons.**

A change of clothing: to include socks, underwear (two pieces), top and bottom clothing incase of accidents / spillages / sweating. The change of clothing should be sent in a **clear Ziplock bag***, labeled with your child's name. The bag with the clothing will be kept in school. It will be sent home when there is seasonal change for replacement clothing.
