

REGINA DOMINICAN HIGH SCHOOL

TEXTBOOK LIST 2026-2027

The Regina Dominican Textbook List is a resource to help students and families secure the materials required for courses at Regina in Mathematics, Music, Science, Social Studies, Theology, and World Languages. Only subjects requiring material to be purchased are listed below.

Please also note that a list of reading materials for all English courses will be made available at the start of the school year on the course syllabus. The summer books have been listed online, and those will be the focus of English courses at the start of the year.

Use the student's schedule to identify course titles, levels, and numbers. Then note the materials required for each course. Use the ISBN numbers to secure the materials from a vendor of your choice. Materials can be in either print or digital format unless otherwise noted by the instructor.

MATHEMATICS

Subject: AP CALCULUS AB

CRS: 672 Level: 4 AP

Recommended as a resource

ISBN: 9781337282765

Title: Calculus for AP: A Complete Course

Author: Stewart

MUSIC

Subject: GUITAR

CRS: 256

Material Required: Yes

ISBN: 9780793512454
