

Derby Education Foundation • USD 260 • Payroll Deduction

The Derby Education Foundation's mission is to support students, teachers, and educational programs of Derby Public Schools, USD 260. Established in January 2010, the foundation has provided more than \$35,000 towards providing opportunities to students and teachers. Grants and scholarships are awarded to support innovation, financial literacy, environmental literacy, experts in the classroom, providing for the underserved, and so much more. The DEF is the only organization that solely supports Derby Public Schools students, programs, and teachers.

Part of the foundation's role is to secure private and corporate funding to support educational endeavors which are not otherwise funded by local, state, or federal monies.

Past grants include supporting the Derby High School Band trip to Pearl Harbor in 2016 with a \$4,000 grant to help transport band equipment, providing Parents As Teachers with a \$3,000 grant to support projects as kindergarten boot camp in 2017, and providing a grant to purchase materials for an elementary lunch book club in 2018, to name a few.

Here's your chance to make a difference! Derby Public Schools USD 260 employees may now elect to have payroll deduction. As a classified, certified, or special service employee you may choose to make a one time contribution or enroll in monthly/bi-weekly automatic deductions from your payroll and is tax deductible.

We appreciate your support as our foundation continues to grow and invest in the future of Derby students. Rest assured that your money stays in Derby Public Schools and directly impacts our school district. All proceeds from the voluntary payroll deductions go towards students and staff. **No gift is too small...**

Thank you!
