

Investing in Monterey County Students

This check represents

\$26,144,500

in CalKIDS Scholarship funds
available to eligible Monterey County students

CalKIDS helps eligible children and students save for their future education by providing scholarship accounts that can be used for college, career training, trade schools, and other qualified higher education expenses.

**Eligible students may have up to \$1,500
waiting to be claimed!**

The Monterey County Office of Education and Bright Futures are proud to partner with CalKIDS to connect families with these valuable resources and open doors to brighter futures.
