

Take Ms. Hoyt on a Summer Adventure!

This summer, I invite your family to take part in a fun and interactive activity inspired by Flat Stanley!

Color your “Flat Ms. Hoyt” and bring her along on your summer adventures—whether you’re traveling somewhere special or enjoying everyday moments close to home.

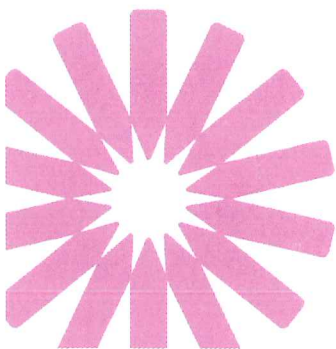

Take photos of Ms. Hoyt joining you on your adventures—at the beach, park, backyard, or anywhere your summer takes you! A family member can help snap a picture and share it in our Facebook group, “Ostrander Cub Club,” so we can all stay connected and celebrate each other’s experiences. You can also tag your photos on Instagram with #WhereisMsHoytToday

We can’t wait to see the amazing places Ms. Hoyt visits this summer! Be sure to save your favorite memories. You can even bring your photos or stories back to school in September to share with your classmates.

Have fun, be creative, and enjoy your summer adventures together!
