It is our honor to represent you on the Casa Grande Elementary School Board. As your representative, we are asking you to vote to support the continuation of the District's override funding.

The first override was passed by the community in 2000. The election in November will be the fifth time the Governing Board has asked for the continuation of this critical funding source. We would like to thank the community for their awesome support in passing all five previous funding elections.

From the very first override through this present request, the purpose of the request has not changed. There is a severe shortage of qualified educators, and this override assists the District in providing competitive salaries and benefits to attract and maintain the very best teachers and educators for our students.

We make school safety and the quality of staff the two most important missions of our Governing Board. In today ' s competitive job market, we cannot afford to reduce our funding by ten percent and remain competitive.

The current override costs the average homeowner $7.36 a month. Our students are worth this investment. Please join us in voting Yes.
