Casa Grande Union High School District was an integral component of our community that helped nurture and shape my siblings, my friends and myself into contributing community members. As a former student and a former board member I strongly support this override continuation for an override that this district has had in place for a long time.

This override continuation is not a new tax but rather just an opportunity to continue our support for CGUHSD in providing extracurricular activities, fine arts and other educational programming supporting the development of the whole child. In the age that we live in ensuring our students stay engaged in positive activities is essential to strong vibrant community.

In the end, the strength of any great community can be measured on the value they place raising, educating and protecting their children. Continuing this budget override shows that the Casa Grande community is willing to provide local support to do just this.

Please vote YES to continue our local support!

Community Leader and Former Board Member
