As a long-time resident of Casa Grande and a current City Council member, I am proud to see the tremendous growth in our community and want to see our progress continue. Education is critical for our growth, and essential for our children to compete in the ever-changing job market.

I hope you will join me and vote YES on the Casa Grande Union High School District Override. this Override will continue to provide critical funding for enriched curriculum, reasonable class sizes, athletics, fine arts, extra-curricular activities, career and technical education programming, attracting and retaining highly qualified staff and programs to provide an exceptionally safe learning environment for our students and staff.

Arizona continues to be ranked at, or near the bottom in school funding. Locally, the state funding provided is still insufficient for basic education needs. As our city continues to grow, it is even more important to provide good schools to attract new business, which in turn helps our community grow and thrive.

Please support our children and our community by voting YES on the Casa Grande Union High School District Override.
