Over the past years, I have had the opportunity to speak with several big and small businesses that are here or who are contemplating locating their business here. One of the questions they always ask about is the support of the community for quality education. I always respond that the community of Casa Grande is very supportive of our educational systems. I always mention the importance of quality education to prepare future generations for employment.

The 10% Maintenance and Operations override will assist in attracting and retaining highly qualified staff, obtaining funding for safety and security, providing and enriching the curriculum, continuing to provide athletic, fine arts and extracurricular activities, and sustaining or reducing our class size. Additionally, the override will assist with state funding shortfalls and ensure that quality education is provided in Casa Grande.

As the city continues to grow, it is imperative that our educational systems continue to provide excellent education and position themselves to address the growth efficiently and effectively. The Casa Grande community is very fortunate to have community leaders who support education and support the Casa Grande Union High School District.

A Yes vote for the Casa Grande Union High School District is needed!
