

CARMAN-AINSWORTH COMMUNITY SCHOOLS

Bond Project Update

July 2026

ATHLETIC SITE RENOVATION

Our Middle School athletic facilities received a fresh new look! Improvements to the stadium include a new synthetic turf field, updated spectator bleachers, and a renovated press box.

These upgrades will enhance the experience for our student-athletes, coaches, families, and fans while providing a safe, modern venue for competitions and community events. We can't wait to welcome everyone back to the stadium this fall. Go Cavaliers!

TRANSPORTATION

Carman-Ainsowrth is excited to announce the addition of six new school buses to our transportation fleet.

These new buses will replace older vehicles, helping to improve the safety and reliability of student transportation.

Bond Project Update

July 2026

RANKIN ELEMENTARY

Exciting improvements are underway at both Rankin Elementary and Dye Elementary! Construction is transforming multiple areas within each building, including new front offices and reconfigured student pick-up and drop-off areas designed to improve safety and traffic flow for students and families.

These upgrades will create more welcoming, secure, and functional spaces for learning while enhancing the arrival and dismissal experience at both schools. We look forward to sharing additional progress as construction continues and welcoming our students, staff, and families back to the enhanced facilities this fall.

Bond Project Update

July 2026

PARKING IMPROVEMENTS CONTINUE ACROSS THE DISTRICT

MIDDLE SCHOOL

Progress continues on important facility improvements across Carman-Ainsworth Community Schools. The Carman-Ainsworth High School student parking lot project is nearing completion, with only the finishing touches remaining before the project is complete.

Work is also underway at the Middle School, where the parking lot is being replaced to improve safety, accessibility, and the overall experience for students, staff, and visitors.

We appreciate the patience and support of our school community as these projects continue to enhance our facilities.

HIGH SCHOOL

Carman-Ainsworth Families and Community Members,

We want to extend our heartfelt appreciation for the continued support of our community and for the approval of the bond that has made these important improvements possible. These investments allow us to update our facilities with our students at the center of every decision, creating safer, modern, more welcoming, and supportive environments for learning.

We are grateful to our staff and community members for helping make these projects a reality and for your continued partnership in supporting the future of Carman-Ainsworth students. The many more updates and improvements on the horizon will continue to reflect our commitment to investing in our schools and providing the best possible learning environments for our students.

thank you
