PARTICIPATION IN ACTIVITIES: LHS Activities Participation Information 2026-2027

Before an athlete can participate in any athletic program, the athlete must have a physical examination completed & register for Final Forms.

PHYSICAL EXAMINATION & MEDICAL INFORMATION

- According to Missouri State High School Athletic Association (MSHSAA) bylaws, physical examinations will be good for two years. As a result, it is in your child's best interest to have the physical examination completed after July 1st.
- The physical examination for the 2026-2027 school year must be dated NO EARLIER than ***July 1, 2025***. No athlete may participate until the physical has been completed and submitted online. Students may receive a physical from their doctor, Walgreens, CVS, or local Urgent Care.

FINAL FORMS INFORMATION

- Final Forms will be used this school year which will streamline the tryout process by eliminating the need for paper forms. All mandatory information will be collected online. You will upload all physical examination forms to Final Forms.
- Students involved in any athletic program need to create an account to ensure the most up-to-date information is listed, to make changes as needed, and to electronically sign the information required.

Final Forms documents must be completed & submitted for verification by the Lafayette Activities Office no later than AUGUST 3, 2026 in order to ensure participation on Monday, AUGUST 10, 2026
