Families of new students will need to visit their school for onsite registration.

**ALL** students will be required to provide proof of Indiana residency this year. Acceptable documents are:

- *Bank statements (dated within the last four (4) weeks)*
- *Utility bills (dated within the last four (4) weeks)*
- *Current property tax statement*
- *Current mortgage statement or lease/rental agreement*
- *Voter registration card (parent or student, if applicable)*
- *Federal or state income tax returns (most recent tax year)*
- *Medical bill (dated within the last 30 days)*
- *Student's tax returns (when emancipation is claimed)*
- *Letter from verified social services agencies (dated within the last 30 days)*

Every returning student needs to have a new registration form completed. The process is quick, and the majority of the registration process is confirming information that is already in the system. It is especially important that we have updated contact information for all our students. Registering returning students in advance also helps our schools adjust for class size fluctuations and minimizes disruptive changes to schedules once the school year begins. Thank you in advance to all our LSC families for taking the time to complete these registrations in July.
