

Meet the Principal MRS. SMITH

HELLO, CENTRAL COUGARS!

My name is Kailey Smith, and I am honored to introduce myself as the principal of Central Elementary School. For the past four years, I have had the privilege of serving as the lead teacher at Central, and I am excited to continue working with our dedicated staff, incredible students, and supportive families.

ABOUT ME:

I was raised in Grand Island, Nebraska, the daughter of a small business owner and a mother who worked in education. My husband, Keith, is a high school social studies teacher, and together we enjoy spending time as a family with our three children. We especially love being outdoors, reading, attending baseball games, and working together in our garden. This school year I will begin my 18th year in Bellevue Public Schools.

EDUCATION:

After graduating from high school, I earned my Bachelor's Degree in Elementary Education from the University of Nebraska at Kearney. I received my Master's Degree in Reading from UNK and my Educational Leadership degree from Doane University.

I strongly believe that all students, educators, and families deserve equitable educational experiences that cultivate growth, opportunity, and success.
