

Electronic Device Pledge Form

Student Pledge for Electronic Device:

- 1) I will follow all of the policies and regulations included in the 1-to-1 Handbook while at school as well as outside of the school day.
- 2) I agree to return the device and protective case in good working condition.

Parent Pledge:

I recognize that it is my responsibility to supervise my child's use of the school-issued device outside of school and to restrict access to inappropriate materials. I will not hold the school district or its employees or agents responsible for inappropriate materials my child may access. I also agree to help ensure that my child does not use the device to engage in cyberbullying or other inappropriate or illegal activities.

I understand that I am financially responsible for damage to the device while it is in my child's possession, as outlined in the 1-to-1 Device Handbook and any applicable protection plan. I hereby give permission for my child to check out a school-issued device for the current school year.

If the school-issued device is stolen or intentionally vandalized, I understand that I may be required to file a police report before an insurance claim can be processed.

I agree to the terms and conditions outlined in the 1-to-1 Device Handbook, the District Acceptable Use Policy, the Bullying Policy, other applicable district policies, and this pledge form.
