I moved to Oracle in 1987 after falling in love with it on my first visit. I knew immediately it was the right place to raise my family and start a business. As the owner and broker for Oracle Land and Homes, I know our community and its people. I also know how very much we all appreciate the Oracle School District and its Mt. Vista elementary school. As the hub of our community, OSD celebrates its tag line of " Small Town Roots " while encouraging "Global Expectations" for our students. I get it. It is important for our children to never forget where they came from, while knowing their future is boundless if they apply themselves. I've built a successful business in our community through a solid vision, hard work, and sound fiscal management. OSD leadership has done much the same with thoughtful strategic planning, careful oversight of taxpayer dollars, and a commitment to real results. The Oracle School District has proven to be good stewards of our taxpayer dollars and the students they serve deserve our continued support. Please vote YES to help keep our schools, our neighborhoods and our children's futures safe and vibrant.
