

Attendance Matters: Every Day Counts

Dear Rogue River School District Families,

At Rogue River School District, we know that families want the very best for their children, and we are honored to partner with you in supporting their success. One of the most important ways we can work together is by ensuring students attend school regularly and feel connected to their learning community.

We also recognize that life can be complicated. Families may face challenges related to health, transportation, housing, family responsibilities, or other circumstances that can make consistent attendance difficult. Our goal is not simply to track attendance. It is to understand and support the needs of our students and families.

When students are in school, they benefit not only from academic instruction but also from the relationships, encouragement, and sense of belonging that help them grow and thrive. Every day provides opportunities for learning, collaboration, and personal development that are difficult to replicate when students are absent.

If attendance becomes a concern, we encourage families to reach out to their school. Our staff is committed to working alongside you to identify barriers, provide support, and develop solutions that help students stay engaged in their education. We believe that strong partnerships between home and school create the best conditions for student success.

Thank you for your continued support, trust, and partnership. Together, we can ensure that every student feels welcomed, supported, and empowered to achieve their fullest potential.

Sincerely,

April Harrison, D.Ed.

Superintendent

Rogue River School District
