DECLINING BALANCE PROGRAM A LA CARTE

Students may purchase individually priced a la carte items through our declining balance program in addition to their Daily Meal Plan offerings. This program is ideal for breakfast, snacks and extras or second servings at lunch. A student's balance decreases as purchases are made, much like a debit card.

The declining balance program is NOT used to fund the Daily Meal Plan. It pays only for a la carte breakfast, snacks and lunch items.

FUNDING YOUR ACCOUNT

How do I fund my declining balance account?

To fund your student's declining balance account, go to **www.MySchoolBucks.com** and log into your account. If you are a first time user, you will need to set up an account using your student's 4 or 5 digit Veracross student ID number. The MySchoolBucks website will walk you through the setup process.

How much should I put in the account?

We suggest a $50 minimum starting balance. You can fund your account with a debit card, VISA, MasterCard or e-check. Your MySchoolBucks account will allow you to:

- Monitor student purchases
- Receive low balance email reminders (recommended)
- Set up auto-payment for your account (recommended)
- Make split payments for multiple students

Can a student charge into a negative balance?

Yes. A student may charge no more than $15.00 into the negative. Weekly emails are sent to the email listed on the student roster. If the account is at a negative balance of $15.00 at the time of the lunch period, then they will be offered an alternative lunch. The lunch includes a sandwich, a bag of chips, a bottled water and an apple sauce.

Should every student have a declining balance account in addition to the Meal Plan?

While not required, every student will want one.

How can I see what my student is buying?

Log on to your student's account at MySchoolBucks.com.

Is the online account information secure?

Yes. MySchoolBucks is PCI and VeriSign certified.
